## The Prayer

Dear Jesus,

Thank you for your love and guidance.

Thank you for never giving up on us but showing us the way!

You are asking us all to be like the Good Samaritan: courageous, helpful, gentle and caring.

Please help us to be loving and creative in how to show kindness to others. Amen.

## Attendance Matters

Our whole school attendance for the week is: 95%. This is so close to our target of 96%. Let's aim for this in our last week of term. Leading the way with 98% attendance this week, were Year 4 and Year 5. Thank you, as always, for your continued support in ensuring children are at school each day and on time.

## Message from the Headteacher

It has been another busy week and again there has been so much to celebrate.

Mrs Wickens and I launched 'unique week' on Monday, and all classes have been taking part in activities related to celebrating who we are as individuals across this week. This has included art activities, talent shows, poetry, a dyslexia workshop from Mr Kinahan Brown, trying our hand at different sports and ending the week with a special assembly where we have all thanked one another for the qualities we bring to our community. A big thank you to all our staff and to our parents and carers for your support and coming in to see what we have been up to today.

All children's reports went out this week and we are all really proud of their achievements. We have received the most fantastic Year 6 SATs results and have been able to illustrate all children's successes this year in their reports. A huge well done to Year 6 !

In the midst of all the activity, we have been continuing our transition activities across the week, so that all children can begin to build relationships with the new staff in their class for September. Despite how close we are to the end of term; we are still embracing every opportunity to learn and grow. Your children energise us with their enthusiasm, willingness to strive for personal excellence and their joy. This, alongside the support we have from you, means we just will not stop until the end. Thank you.

This evening, we will be hosting our End of Year disco, and I know there are lots of excited children ready to enjoy some great music and dancing. A big thank-you to our hard-working PTA for organising this.

On Monday, we will be having a whole school French Day. Children are invited to dress up in a blue, red and/or white and add French themed accessories if they wish to.

We hope you all have a wonderful weekend, and we look forward to our final week of term, where we will enjoy French Day and prepare to say goodbye to our Year 6 children.

## Parking in the Church Car Park

Father Clive has asked us to please remind you that it is not permitted to park in the church car park at drop off or pick up. The driveway is in constant use by the nursery and their children are being put in danger by the cars driving in and out. Also, the nursery staff have been verbally and aggressively abused when asking parents not park.

## Catholic Life

*This term's values are Faith Filled and Hopeful*

**Pupils are growing to be Faith-filled in their beliefs and hopeful for the future.** This is especially important as we are in the Jubilee Year and are working to be Pilgrims of Hope. We encourage our children to have faith and hope in themselves and others.

### Chaplains

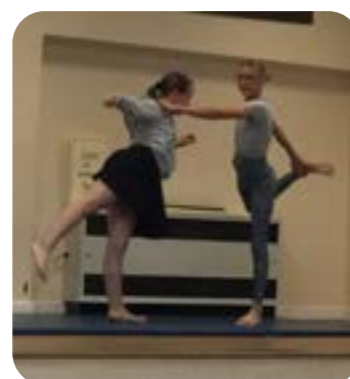

As part of our Unique Week celebration, the chaplains reflected on how precious we are to God. He wanted us, created us and is always with us. We also talked about the Good Samaritan and agreed that "our neighbour" is everyone who needs us.

### July

In the month of July, we continue to reflect on the late Pope Francis' Year of Hope. This month, in our class liturgies, we are demonstrating hope through art and focusing on the recent feast day of Saints Peter and Paul.
