Message from the Headteacher

What a wonderfully sunny and activity packed week we have had here at Holy Trinity. Even though it has been extremely hot on some days, the children have remained focused, worked hard and continued to do their best. Well done everyone!

On Wednesday our Under-11 cricket team put on a great display at the County Finals, which took place at St Edward's School in Oxford. Winning 4 out of 5 matches, showing great determination and teamwork throughout the day.

Unfortunately, we couldn't bring home the trophy this time, however getting to the county finals was a fantastic achievement in itself and all the boys who took part should be extremely proud of themselves. Thank you to all the parents and Mrs Packham who were able to take the time to attend and support throughout the day, we truly couldn't have done it without you.

Reception and Year 1 had a sunny walk down to Chipping Norton library on Thursday morning. They had the chance to explore the library looking at a range of books before settling down and enjoying an interactive story that was led by one of the librarians. Many thanks to the library and Mrs Catling for organising this trip.

On Thursday and Friday, Year 6 attended their transition days at Chipping Norton School and we look forward to hearing all about this next week.

Sally-Ann from Chipping Norton Library kindly visited us in school this morning, to launch this year's Summer Reading Challenge! Race down to your local library to register and get reading to win your stickers, medals and certificate!

Following assembly, we had whole school move up morning. All the children spent time in their new classrooms getting to know their class teachers and it was wonderful to see them all so happy and excited for the next chapter of their school journey. We will continue to support transition across the next few weeks as these short visits give children time in their new setting to help with their familiarity and we hope will help to ease anxiety or worry around the changes for the forthcoming year. It was also wonderful to welcome parents into school this afternoon for our class curriculum meetings.

Wishing you all a wonderful weekend.

Catholic Life

This term's values are Faith Filled and Hopeful

Pupils are growing to be Faith-filled in their beliefs and hopeful for the future. This is especially important as we are in the Jubilee Year and are working to be Pilgrims of Hope. We encourage our children to have faith and hope in themselves and others.

Chaplains

We have started preparing for Unique Week and talked about how every one of us is special, talented and precious. "People have a dignity that is priceless and worth far more than things." - Pope Francis.

July

In the month of July, we continue to reflect on the late Pope Francis' Year of Hope. This month, in our class liturgies, we are demonstrating hope through art and focusing on the recent feast day of Saints Peter and Paul.

Attendance Matters

Our whole school attendance for the week is: 96%. This meets our goal for the week! Let's see if we can manage this in the final two weeks too! Thank-you for all of your support in ensuring children are at school and on time each day.

Unique Week

Next week we will be hosting our whole school 'unique week'. This is a week where we will be celebrating what makes us special, unique and individual. On Friday 11th July, we will be opening the gates and the earlier time of 3:05pm and invite parents and carers to come to their child's class to celebrate the work we have done this week.
