| Number, place value, approximation and estimation/rounding |  |  |  |
| :--- | :--- | :--- | :--- |
| 1. I can count in multiples of 6, $7,9,25$ and 1,000. |  |  |  |
| 2. I can order and compare numbers beyond 1,000. |  |  |  |
| 3. I can find 1,000 more or less than a given number. |  |  |  |
| 4. I recognise the place value of each digit in a 4-digit number. |  |  |  |
| 5. I can read Roman numerals to 100 and know that over time the <br> numeral system changed to include the concept of zero and place <br> value. |  |  |  |
| 6. I can identify, represent and estimate numbers using different <br> representations. |  |  |  |
| 7. I can round any number to the nearest 10, 100 or 1,000. |  |  |  |
| 8. I can count backwards through zero to include negative numbers. |  |  |  |
| 9. I can solve number and practical problems with the above (involving <br> increasingly large numbers). |  |  |  |
| Calculations |  |  |  |
| 10. I can add and subtract numbers with up to 4-digits using the <br> formal written methods of columnar addition and subtraction. |  |  |  |
| 11. I can estimate and use inverse operations to check answers in a <br> calculation. |  |  |  |
| 12. I can solve addition and subtraction 2-step problems in contexts, <br> deciding which operations and methods to use and why. |  |  |  |
| 13. I can recall multiplication and division facts up to 12x12. |  |  |  |
| 14. I can use place value, known and derived facts to multiply and divide <br> mentally, including: multiplying by 0 and 1; dividing by 1; multiplying <br> together three numbers. |  |  |  |
| 15. I recognise and use factor pairs and commutativity in mental <br> calculations. |  |  |  |
| 16. I can multiply 2-digit numbers by a 1-digit number using formal <br> written layout. |  |  |  |
| 17. I can solve problems involving multiplying and adding, including using |  |  |  |
| the distributive law to multiply 2-digit numbers by 1-digit, integer |  |  |  |
| scaling problems and harder correspondence problems such as n objects |  |  |  |
| are connected to m objects. |  |  |  |

| number. |  |  |  |
| :--- | :--- | :--- | :--- |
| 25. I can compare numbers with the same number of decimal places <br> up to 2 decimal places. |  |  |  |
| 26. I can find the effect of dividing a 1-digit or 2-digit number by 10 and |  |  |  |
| 100, identifying the value of the digits in the answer as ones, tenths and |  |  |  |
| hundredths. |  |  |  |$\quad$| 27. I can solve problems involving increasingly harder factions and <br> fractions to divide quantities, including non-unit fractions where the <br> answer is a whole number. |  |  |
| :--- | :--- | :--- |
| 28. I can solve simple measure and money problems involving fractions <br> and decimals to 2 decimal places. |  |  |

| Measurement |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
| 29. I can compare different measures, including money in £ and p. |  |  |  |  |
| 30. I can estimate different measures, including money in £ and p. |  |  |  |  |
| 31. I can calculate different measures. Including money in £ and p. |  |  |  |  |
| 32. I can read, write and convert time between analogue and digital <br> 12 hour clocks. |  |  |  |  |
| 33. I can read, write and convert time between analogue and digital <br> 24 hour clocks. |  |  |  |  |
| 34. I can solve problems involving converting from hours to minutes; <br> minutes to seconds; years to months; weeks to days. |  |  |  |  |
| 35. I can convert between different units of measurements |  |  |  |  |
| 36. I can measure and calculate the perimeter of a rectilinear figure in <br> cm and m. |  |  |  |  |
| 37. I can find the area of rectilinear shapes by counting squares. |  |  |  |  |
| 38. I can calculate different measures |  |  |  |  |
| Geometry - properties of shapes |  |  |  |  |
| 39. I can compare and classify geometric shapes, including quadrilateral <br> and triangles based on their properties and sizes. |  |  |  |  |
| 40. I can identify lines of symmetry in 2D shapes presented in different <br> orientations. |  |  |  |  |
| 41. I can complete a simple symmetric figure with respect to a specific <br> line of symmetry, |  |  |  |  |
| 42. I can identify acute and obtuse angles and compare and order angles <br> up to two right angles by size. |  |  |  |  |
| Geometry - position and direction |  |  |  |  |
| 43. I can describe movements between positions as translations of a <br> given unit to the left/right and up/down. |  |  |  |  |
| 44. I can describe positions on a 2D grid as coordinates in the first <br> quadrant. |  |  |  |  |
| 45. I can plot specified points and draw sides to complete a given <br> polygon. |  |  |  |  |
| Statistics |  |  |  |  |
| 46. I can interpret and present discrete and continuous data using |  |  |  |  |

appropriate graphical methods, including bar charts and time graphs.
47. I can solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs.

## Exceeding

| 1. I can use tenths, hundredths and thousandths when comparing values <br> and solving addition and subtraction problems. |  |  |  |
| :--- | :--- | :--- | :--- |
| 2. I can round any number to 100,000 to the nearest $10,100,1,000$ or <br> 10,000. |  |  |  |
| 3. I can relate tenths and hundredths to fractional values. |  |  |  |
| 4. I can rapidly recall answer when multiplying and dividing a whole or <br> decimal number by 10. |  |  |  |
| 5. I can solve multi-step problems involving more than one of the <br> operations. |  |  |  |
| 6. I can work out simple percentage values of whole numbers, for <br> example, as met in on-going learning in science, history and geography |  |  |  |
| 7. I can compare and add fractions whose denominators are all multiples <br> of the same number. |  |  |  |
| 8. I can use a 24-hour timetable to find out times for journeys between <br> various places. |  |  |  |
| 9. I can use my knowledge of perimeter to work out the perimeter of <br> large areas around school, using metres and centimetres. |  |  |  |
| 10. I can collect my own data on a given project and present information <br> in graphical formats of my choosing. |  |  |  |
